

Havermale High School's Mission Statement:

The Mission of Spokane Public Schools is to develop the skills and talents of all students through rigorous learning experiences, relevant real-life applications, and supportive relationships.

Havermale

High School

1300 West Knox Avenue • Spokane, WA 99205-4386 • 354-6409

Welcome to Havermale High School!

The importance of your involvement and support cannot be understated. At Havermale, we believe we will only be successful if we are in partnership with families, parents, guardians, grandparents, and the greater community to support our students. It is this partnership that creates the conditions for our students to do their best.

Havermale is a choice school for 9th through 12th graders who are looking for a smaller and more personalized learning environment. It is a school that recognizes the strengths of the individual student and values diversity. Havermale High School features small learning communities that include: 9/10 and 11/12 Core teams, Medicine Wheel Academy and Contract Based Learning.

Why do Students Choose Havermale?

We have...

- a diverse student body that is respectful and welcoming of all.
- teachers who offer personalized and engaging instruction.
- expectations that prepare all students for college, careers, and community involvement.
- daily advisory class for goal setting, individual learning plans, and social responsibility training.
- coordinated transition to community colleges including application, placement test, financial aid and registration.
- additional support so all students can succeed.

Please call 354-6409 for more information.

Think globally. Learn Locally.

In 2010, the top 10 jobs in the country will be jobs that did not exist in 2004.

Technical information is more than doubling every two years.

Our challenge is to prepare students for jobs that do not exist yet, that will use technologies that have not been invented yet, in order to solve problems that are not even problems yet.

At Spokane Public Schools, we are committed to ensuring academic success for all students. To do that, we are:

Focusing on powerful teaching.

Ensuring the district's curriculum lines up with state standards and is taught in every classroom.

Infusing our classrooms with technology.

Providing more support for our teachers, including dedicated time for collaboration. Working to provide rigorous and relevant instruction for students.

Encouraging supportive relationships.

As a result of our efforts, more students are taking advanced placement courses than ever before. Our students' average SAT scores continue to exceed state and national averages. More than twice the number of graduates joined an apprenticeship right out of high school than when we started the program three years ago.

Because of our community's support, we are able to continue our work toward becoming a world-class system. Thank you!

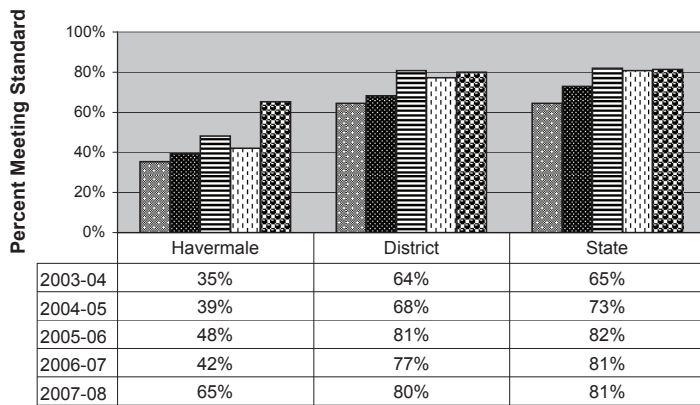

Spokane Public Schools
excellence for everyone

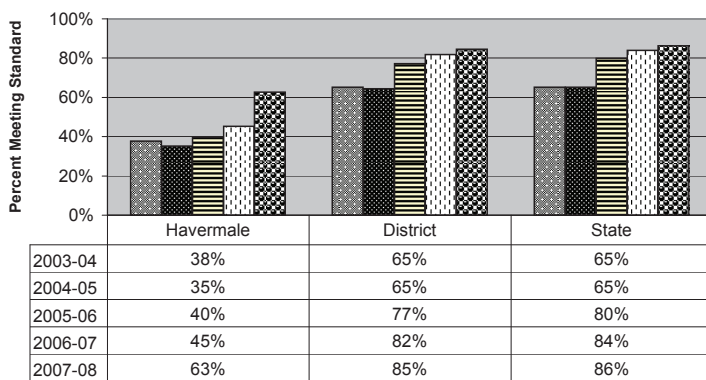

Annual Report Card 2008

Havermale School Students' Trends in WASL Performance

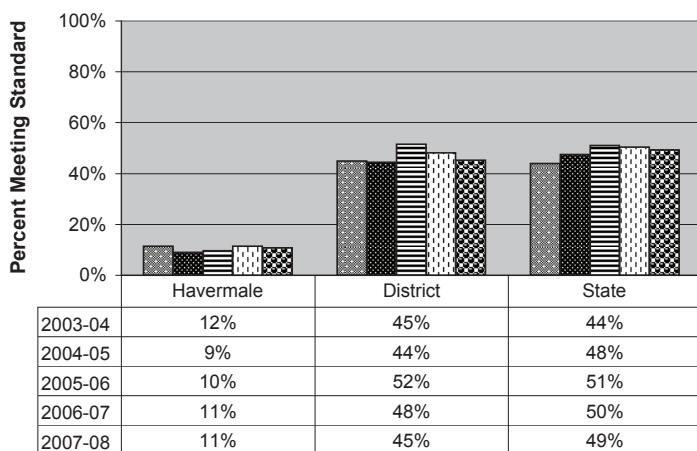

Percent Meeting Reading Standard -10th Grade
School, District, & State

Percent Meeting Writing Standard -10th Grade
School, District, & State

Percent Meeting Math Standard -10th Grade
School, District, & State

Major Goals from School Improvement Plan

Personalized and Engaging Instruction:

- Teachers team and stay with students for two to three years
- Every student has an advocate and advisory class
- Students set weekly goals and develop learning plans
- Math and literacy instructional coaches work with teachers
- A strong teacher-student relationship is developed so learning can be tailored for each student based on that relationship and student needs and interests.

- Learning strategies involves real world application, community internships, and service learning.

Our Vision:

“Preparing all students for college, careers and community involvement,” as demonstrated on a variety of measures, including the WASL, and the number of students who transition to community colleges.

Summary of School Data

Expenditures per pupil..... \$9,895.83

Annual school budget \$225,320

District AYP Message

The intent of the federal No Child Left Behind Act is to ensure that all students have the knowledge and skills they need to be productive and engaged citizens. Under NCLB, schools and districts that receive federal funds must make Adequate Yearly Progress toward the goal of 100 percent of students meeting state standards by 2014 or be subject to various sanctions.

Districts are considered to have made AYP if they meet requirements in 111 areas. Spokane Public Schools did not make AYP this year because it missed 15 of these areas, and is considered to be in Step 1 of improvement. Statewide, only 84 districts out of 296 made AYP this year. Most of the districts that made AYP are relatively small districts and benefitted from the small number of students enrolled.

Because of this, we are required to revise our district improvement plan. Our SPS families are vital partners in improving schools, and we welcome you to actively participate in the revision and update of the improvement plan. Contact your school for more information. We are proud of the work we are doing and are committed to the success of each student.

Levy and Bond Replacement

This March, Spokane Public Schools will ask the community to vote on a replacement levy and bond. These measures both supply essential funds to support our students and provide them good places to learn. Find out more at spokaneschools.org or call 354-7340.

Spokane Public Schools Mission:
To develop the skills and talents of all students through rigorous learning experiences, supportive relationships, and relevant real-life applications.
