## *A Message from Principal Gwen*

Parents: we need your help! We have had an increase in the amount of tardiness, which is causing serious disruptions in the classrooms. Please have your students arrive prior to the start of their first class. If you are not able to make this commitment, we ask that you talk with your WSLP teachers to discuss dropping the first class.

If your students eat breakfast at school, please arrive no later than 8:45 so that they may eat and arrive to class on time.

Student safety is our first priority, therefore, we would also like to ask you to stop by the office when arriving late or leaving early. If your child is late for school please sign your child into school through the office. If you are picking up your child early, come to the office to sign them out of class. Thank you for your cooperation!

Weather closures:  
Information on school  
closures due to weather  
conditions are found on  
the district website,  
[spokaneschools.org](http://spokaneschools.org)  
the ESD website,  
[esd101.net](http://esd101.net)  
and local media as early  
as 5 am. Bryant is a  
part of Spokane Public  
Schools. If Spokane  
Public Schools (#81) is  
closed or delayed, Bry-  
ant Campus will be  
delayed or closed.
