PowerSchool Parent Access

Welcome to North Central High School's new online student information system. PowerSchool will provide parents and students with real-time information regarding your student's schedule, attendance, and grades. PowerSchool is Internet based so you are able to login from any place you have Internet access.

Logging In for parents:

- Enter your username and your password (this was mailed to you at the end of the summer).
- If you lose your password contact North Central High School at 509.354.6300
- Your student has a different password than you (NC will provide the username and password to your student).

The following will describe the different access screens:
