

Hello Students,

I am sending you home with some things that you can do during this six-week school closure. This is not ideal. I would much rather see all your faces in person because nothing can replace the in-person discussions and interactions, but we will make the best of it! I believe in you and know that you will do your best. Here is what you can do at home.

- Read from your AR book or just the book of your choosing for at least 20 minutes a day. Audible books or eBooks are good. Youtube also has books that are read aloud. 😊
- ____ Finish Tangerine. We left off on page 182. We usually read about 10-12 pages every day in class.
- Answer the Tangerine questions. The page numbers the questions cover are at the top of the page. I am sending home four sets. Please write complete sentences.
- ____ Set 8
- ____ Set 9
- ____ Set 10
- ____ Set 11
- ____ Continue to fill out your choice chart in your journal with the important choices that are impacting Paul.
- ____ Respond in your response log in your journal with summaries of what you are reading, reactions, predictions, questions etc. If you don't have your journal, you can do this on paper. **Try to do 10-15 responses.**
- ____ Do the news headline activity after you finish the book.
- ____ Once you finish Tangerine, pick a choice from part 2 or part 3 that you feel has had the most impact on Paul and write three paragraphs explaining three ways this choice impacted Paul. Use your own thinking and text-based evidence to support. You can type this or write it in your journal. This is what we did for the written part of the test for the part 1 Tangerine test. Same format just a different choice.

***Turnover for more information. ***

- ___Go to noredink.com and complete the assignments in there. I will be adding new assignments each week. If you forget your log in information, email me and I can give you that information. Username and password should be the same as your office 365. If you do not have internet access, do not worry about this.
- An amazing resource to go to if you are able is www.scholastic.com/learnathome. It has activities for each day. They have five days worth right now but will be adding more.

This is a unique situation for all of us. Please do the best that you can. I am sure you are feeling overwhelmed. I feel that way too. I wanted to make sure you have enough to keep busy. I completely understand if you are not able to get to everything. The Tangerine work would be priority and then whatever else you can do would be great! I will be checking my email frequently. If you have a question or need help, please email. triciab@spokaneschools.org. I look forward to seeing you all in six weeks. Take care and be safe.

Sincerely,

Mrs. Bilesky
