

Chase Middle School Math Summer School Program

You are invited to participate in our Virtual Math Summer School Program. Research shows during the COVID-19 campus closure students are losing learning in math more than any other subject.

We are offering a 4 week virtual math course for all incoming, returning, and outgoing Chase Middle School Students to minimize learning gaps.

We strongly encourage every student to attend to prepare for next year.

When:

- June 22-July 16
- Monday –Thursday 1 hour a day.
- Teacher support available.

Where:

- Microsoft Office, Clever
