

CCLR Monday March 16th 2020

Hello parents and students,

Here are some suggestions for students to keep up their skills during the school closure.

JA Finance Workbook: students will be taking these home today.

Everfi: Students can log into to Everfi and practice their financial literacy skills. Here is the information you will need to share.

www.everfi.com/futuresmart

1. Go to k-12 education at the top and click financial education in the course list.
2. Choose Future smart for middle school from the list below.
3. Choose log in as student at the top right corner of the page.
4. Click register and put in the **student code e5a5c7a3**
5. It will prompt you to set up an account. You do not need to use your actual birthdate or name. Just create an account and password.
6. Get started.
7. This is not a graded assignment but a way to practice the skills you have learned in this unit.

Thank you and please email me if you have any questions or concerns,

Adam Yoshioka
