

keep reading. keep solving. keep exploring.

keep learning!

SUMMER READING

Get a free book
when you read
for 15 hours between
June 1 & August 31!

Sign up for free at
spl.northwestreads.org
or log in through your district Clever account.

Spokane Public Schools
excellence for everyone

All SPS students are invited to participate in an online Summer Reading program through Spokane Public Library to **keep reading!**

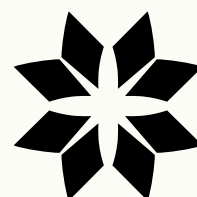

Log your time spent reading online, earn badges, and design your own avatar!

Virtual programming featuring Mobius Science Center, West Valley Outdoor Learning Center, Cat Tales, and more will also be available for students. Participating in these events may even earn you badges!

While life may seem uncertain right now, the library's access to online resources remains the same and is always growing. Access eBooks, digital magazines, movies, and more using your student library card at spokanelibrary.org/digital.

Did you know? Your SPS student ID number doubles as a fine-free library card!
