Principal's Corner

Logan Families and Community,

Next week is Staff Appreciation Week here at Logan. I invite you to join me in saying thank you to each of the over 80 staff members who make Logan such a wonderful place for children.

Logan staff look at their work as being more than just a job. Their passion and tireless commitment to the Logan Community is evidenced by the long hours they work, the baskets of materials they tote home to be prepared for the next day and their planning for and attendance at evening functions for families. From driving buses to making meals, from teaching classes to keeping the building clean and functioning, it takes every one of them to create an atmosphere of learning and growth for children. Your children are very lucky to have such caring adults guiding them each day.

I encourage you to take a moment to reach out and say thank you and to celebrate the wonderful staff who make Logan a wonderful place for children.

With a thankful heart, In continued partnership,

Brent A. Perdue

Principal, brentp@spokaneschools.org
