## Principal's Corner

Greetings Logan Families,

With Winter Break nearing, I wanted to make sure families are aware that next Tuesday, December 17, will be our last Logan Family Meal for 2019. There will be no meal on December 24 (Christmas Eve) or December 31 (New Year's Eve). And while Logan's weekly meal will take a hiatus after next week until Tuesday, January 7, there are other organizations putting on meals during that two-week span. Here are a just a few:

- Salvation Army • 204 East Indiana Ave. • Free sit-down meals every Thursday in the Community Center, 5:00PM
- St. Charles Catholic Church – 4515 N. Alberta Street – December 25, 11-2PM
- Women and Children's Free Restaurant (As the name implies, this meal is for women and children only. - 1408 North Washington Street January 3, 11:30-1:30PM

Have a wonderful rest of your week!

## 2nd Harvest Mobile Food Market Returns Next Week

During the weekly Logan Family Meal on Tuesday, December 17, the Second Harvest Mobile Market will again return. The Mobile Market is a food

bank open to anyone. Parents have raved about both the amount of food they are able to shop for and the quality of what they get. Fresh produce is always a big part of the Mobile Market! Plan to join us for dinner at the Logan Family Meal between 5-6 PM that night and visit the Mobile Market between 5:00-6:30.

## Reading Grandmas and Grandpas Continue to Develop Literacy with Logan Scholars!

Logan is blessed to have many community volunteers who make time in their day to make a difference for a Logan child. One of our longest running partnerships is with The Riverview Retirement Community who bring a bus full of amazing reading mentors to read with first graders each week. We are so thankful for them, and our kids just love to show volunteers that they are learning to read!

## Red Cross Pillowcase Project Teaches Safety

Volunteers from The Red Cross visited 3rd, 4th and 5th grade classrooms to help Logan scholars understand disaster preparedness. Lions were shown what to put in their pillowcase in case of a weather event or power outage. Volunteers were quick to point out to students that they should never take the pillowcase with them if they are needing to escape a fire! Thanks Red Cross!
