## Principal's Corner

Greetings Logan Families,

As 2019 draws to an end, I wanted to say thank you for partnering with us here at Logan to cultivate the educational outcomes and outlook for our many students. I am thankful for our parents and community partners, and for the amazing and hardworking staff who bring so much energy and passion to school with them each and every day. I look forward to a 2020 full of rich and rewarding learning on the part of every child who walks through our doors.

See you next year!

# Gonzaga Campus Kids Program Hosts Family Winter Wonderland

Logan first partnered with Gonzaga University in 1995 to start a Campus Kids mentorship program. Campus Kids has since grown to 7 schools in northeast Spokane.

GU recently hosted a Winter Wonderland for mentees and their GU student mentors. Over 400 people were in attendance!

Logan wishes to say a continuous thank you to GU and their very giving students, staff and faculty for their ongoing support for the Logan community!
