

Logan is a Distinguished School-Wide Title I, Part A Educational Community

LION'S ROAR

News from Logan Elementary School

February 18, 2021

Principal's Corner

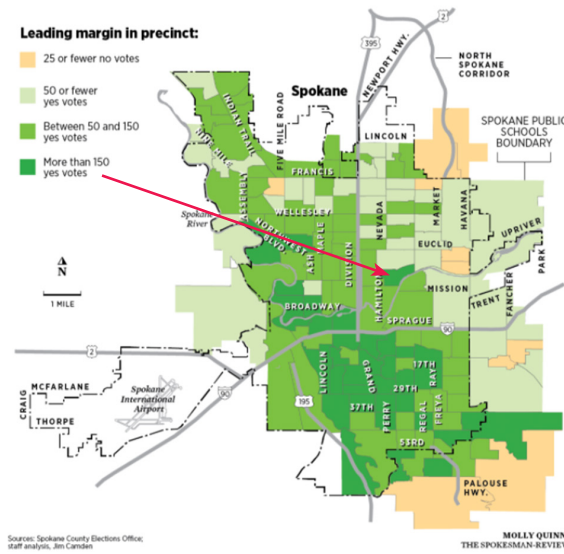

Greetings Logan Community,

I wanted to take a moment this week to say thank you to both our families and to Logan community members who do not have children in school, for the recent passage of the levy. Your support for our shared children and our efforts as a school community came through loud and clear when the Logan area voted overwhelmingly in support of the measure.

In fact, Logan was noted in the Spokesman-Review article describing the election results as an area of Spokane helping carry the vote. This was the only such designation in northeast Spokane and one of very few precincts in all north Spokane.

The graphic below, with a red arrow pointing to the dark green color of the Logan community, illustrates the areas of Spokane and the levels of support, with dark green designating the highest levels.

LEVY RESULTS FOR SPOKANE PUBLIC SCHOOLS
Tuesday night count

The passage of the levy means that the counselors, nurses, custodians, support teachers that make Logan and other schools in our district strong, will be maintained. It means that the arts, including developmental music, band, strings and art will be continued. It means that extra-curricular sports and clubs will be back when the pandemic passes. And it means that we as a school and as a district shoulder the responsibility to use those funds wisely to maintain your trust and support.

I know very well that a great many of you have had to shoulder many additional economic challenges during this pandemic, so I am very humbled that you chose to continue supporting children of the Logan neighborhood with the money needed to give them the best school experience possible.

Wishing you well, and in continuing partnership,

Brent A. Perdue

Principal, brentp@spokaneschools.org

JUNIOR LEAGUE OF SPOKANE

Free Interactive Drive-Thru and Virtual Event

CAPTAIN COVID'S CAVE

Watch New Episodes of Captain COVID each week on Logan's YouTube channel: <https://bit.ly/2YURtUC>

Hey there COVID Cadets!
Captain COVID here, and today I'd like to talk with you about how to eat with a mask on. You know why? Because you could wear a mask all day long, but if everyone's mask is off while they eat, all that mask wearing would be for nothing because germs could be passed around in the air while we chew and talk.

Here are the steps. Practice this at home with your brothers and sisters and the grownups in your house! The steps below are for a person who eats with their right hand. For those lefties out there, reverse the process!

• Step 1- With your mask on,

use your left hand to grab the ear strap over your right ear. Touching the mask here lessens the chance that you will touch a part of the mask that has germs on it.

• Step 2- Pull the mask off of the right ear while the left ear loop stays on and swing the mask open to take a bite.

• And Step 3- Cover your mouth with your mask while you chew. You can either hold the mask over your mouth while you chew or put the loop back over your right ear.

To see this process in action, take a look at Pittsburgh Steelers wide receiver JuJu Smith demonstrate by going to

Remember Captain COVID's 3 W's:

- W**ear a Mask
- W**ash Your Hands
- W**atch Your Distance

this web address: <https://bit.ly/3m8PNiZ>

That's all for today COVID Cadets! Until next time, remember the 3 W's:

- Wear a mask!
- Wash your hands! and
- Watch your distance!

Stay well,

Captain COVID

Download the Spokane Public Schools app today.

A quick and easy way to so submit your student's daily health check.

Daily Health Checks Required

All students attending school in person must have a daily health check completed each morning. Parents are encouraged to complete the health check before the child leaves home. This helps create a routine, and also gives time for the health check to be registered in the SPS reporting system.

The easiest way to complete the health check is through the Spokane Public Schools app, which is available on Google Play and the Apple App Store.
