# LION'S ROAR

News from Logan Elementary School

February 20, 2020

## Principal's Corner

Greetings Logan Families,

Recently, I had the privilege of participating in the first semester awards ceremony celebrating the accomplishments of many Logan Lions. Students who earned awards should be commended for the effort and perseverance they demonstrated.

Last week, attendance award winners were celebrated in the Lion's Roar. In this week's edition, you will find names of students who earned the Academic Achievement Award as well as those who earned Logan's coveted P.R.I.D.E award. For each award, a short description of what leads a student to earning that award will be included. And since we start our criteria fresh each semester, you are asked to encourage your student to work hard on academics, strive to meet all ROAR expectations, and to be at school On Time, On Target each day.

Lastly, if you would like to see some pictures from the event, please visit Logan's Facebook page at: [www.facebook.com/LoganElementarySpokane](http://www.facebook.com/LoganElementarySpokane)

Let's Celebrate!

## Generation Alive Rocks!

Spokane has over 69,200 people who do not know where their next meal will come from. Logan students and staff will be partnering with Generation Alive, a Spokane-based organization that helps feed residents in the area.

At last week's rockin' kick off assembly, students were challenged to bring in as many donations as they can to help others in need.

Students learned that one quarter, yes just 25 cents, is enough to provide one nutritious meal of dried grains, vitamins and vegetables for a person here in Spokane County.

The class that brings in the most donations will score a pizza party! Our goal this year is to raise enough money to make 10,000 meals! With your support, we are confident we will succeed!

A unique and powerful aspect of Generation Alive is that it is not just about collecting money. The money raised will go toward purchasing supplies that will lead to a Something to Eat food-packing event, which will see Logan students pack the meals that will be distributed around the county. The event will take place March 12 at Logan.

## 4th Graders Submit Book Reviews

What's the best book you have read lately? Fourth grade students from Mrs. Deitch's class wanted to share their love of reading and their favorite books with the community. They created book review posters, some of which are currently on display at Page 42 bookstore, right here in our own Logan neighborhood!
