LION'S ROAR

News from Logan Elementary School

February 27, 2020

Principal's Corner

Dear Families,

Here at Logan, we are always striving to improve our practice so that we can be the very best that we can be for your children and family. And to see if we are headed in the right direction, we need your feedback.

At Logan, and at all locations within Spokane Public Schools, a Panorama Parent Survey is being given. You are invited to take the survey on a computer, tablet or smartphone. If you do not have access to one of these devices, we can help you take the survey here at school. The link to the survey is <https://surveys.panoramaed.com/spokane/logan/surveys>. A hyperlink to this survey will be sent out today through Blackboard Messenger if you want to receive the survey that way, rather than typing in the above address.

Thank you for supporting our journey to be everything you and your child would hope for in a school learning community.

Brent A. Perdue
Principal, brentp@spokaneschools.org

P.S. The Generation Alive Drive continues, please consider sending in some of your spare change as a contribution.

Logan Skate Night Coming March 4

Logan's next skate night of the year is scheduled for Wednesday, March 4th. Come join your friends and Logan staff members and skate the night away! Skating is from 6:00-8:00 at Pattison's Roller Rink. Admission is \$5.50 for regular skates or if you bring your own, or \$7.50 if skaters want rollerblades or speedskates. Logan has the entire skating rink to ourselves, so it is sure to be lots of fun.

and adult well visits, same
day visits for acute illness,
chronic disease
management, immunizations,
sports physicals and more.

Traveling for Spring Break?

As you think about your arrangements, we want to stress the importance of sending your child to school every day possible. Every year, absences spike in the weeks before and after school holidays as families squeeze in a few more vacation days. It's time to break that cycle. We know that just a few missed days here and there, even if they're excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school. Put simply, too many absences at any age can affect a student's chances for academic success and eventually for graduation.

We recognize that holidays are an important time for reconnecting with families far away. But keep in mind the costs to your children's education if they miss too much school— and the message you will be sending about the importance of attendance. Even if you receive a homework packet from the teacher, it doesn't make up for the interaction and learning that happens in the classroom. Our teachers will be teaching, and our students will be learning, right up until vacation starts and the first day back. You can help us convey that message. This holiday season, give your children the gift of an education and the habit of good attendance.
