LION'S ROAR

News from Logan Elementary School

January 7, 2020

Principal's Corner

Greetings Logan families and welcome to 2021!

Each Fall, Logan updates a few documents that help guide the work of the school for the year. Each of these documents can be found on our Logan Website by going to the "about" tab and pulling down to "news." Paper copies are displayed in the office or can be sent home on request. The documents include the:

- **School Improvement Plan** - This document guides all professional development for our highly committed staff and determines how funds are spent to support young lions and their families over the course of the school year.
- **Family Engagement Plan**- This document details plans to both inform and involve families in the learning journey scholars are on.
- **School-Parent Compact**- This document details commitments made by staff, scholars and parents to partner on each lion's learning journey.

I hope that you will find some time to review these documents. They are always a work in progress, so your feedback and involvement are invited at any time.

In continued partnership,

Brent A. Perdue

Principal, brentp@spokaneschools.org

Logan Spirit Days Continue

Join your fellow Logan students and staff each week in celebrating both being a Lion and going beyond high school graduation with T24! Every Wednesday is Logan Lion Wear day. Wear your Logan T-shirts or hoodies! Purchase Logan t-shirts (\$8) and hoodies (\$16) at the office.

And then on Friday, wear your T (technical school) 2 (community college) 4 (university) gear and let everyone know that you have learning plans beyond high school!

Showing Off EWU Hoodies!

Check out Mrs. Reavis' class as they sport their Eastern Washington University hoodies that were donated for all 5th and 6th grade students earlier in the year!

Reducing Use of Disposable Masks

Scholars, families and visitors are encouraged to bring their own face coverings when coming to Logan. The school has disposable masks for the scholar or visitor who occasionally forgets, but providing a disposable mask each day is costly and a challenge for our efforts to protect the environment.

Replacement Levy Election

February 9, 2021

What is a school levy?

School levies support essential programs, staff and services that provide a quality education for our students.

The educational program and operation levy is a way for the Spokane community to provide a well-rounded education for SPS students by funding extracurricular activities, support for students with special needs, and critical health and wellness services.

The 2021 levy replaces the expiring 2018 levy and is not a new tax.

Levies support programs and services, such as:

- Nurses
- Counselors
- Behavior specialists
- Student intervention programs
- Special education services
- Technology support
- Smaller class sizes
- Advanced placement courses
- Athletics
- Arts, music, and drama
