Logan Elementary 2021-2022 Parent Compact

LOGAN'S MISSION

The Logan neighborhood family empowers scholars to reach their dreams through the school's core values of integrity, inclusion, equity, empathy, and excellence. Logan scholars take pride in building the college readiness skills essential for later success as active members of their community.

Our Goals are:

Identify and implement essential understandings and best practices for teaching reading, writing, and math in order to achieve academic excellence.

Develop positive relationships between students, staff, and parents.

Parent Information & Resource Center

Washington State houses a Parent Information and Resource Center (PIRC). It was established to provide training, information, and support to parents and individuals who work with parents, districts, and schools receiving Title 1.

School Compact For Improving Student Achievement

It is the mission of Logan School to develop the skills and talents of all students through rigorous learning experiences, supportive relationships, and relevant real-life applications

Teacher Responsibilities

It is important for teachers to help their students achieve. Therefore, teachers should strive to do the following:

- Provide a safe environment that promotes active learning.
- Assist each child in achieving the essential academic learning requirements.
- Encourage students and parents by providing information about student progress.
- Document ongoing assessment of each child's academic progress.
- Maintain open lines of communication with students and parents.

Family Responsibilities

It is important for parents to help their child achieve. Therefore, parents should encourage them by doing the following:

- See that their child attends school regularly and is on time.
- Provide a quiet place for their child to study at home.
- Encourage their child to complete all homework assignments.
- Show respect and support for their child, the staff, and the school.
- Attend parent-teacher conferences.
- Support the school in developing positive behaviors.
- Talk to their child about his or her school activities each day.

Student Responsibilities

- It is important for students to work to the best of their abilities. Therefore, they should strive to do the following:
- **R**espect self and others
- **O**vercome problems
- **A**ct safely
- Be **R**esponsible

All Students Can Achieve
