Principal's Corner

Logan Families,

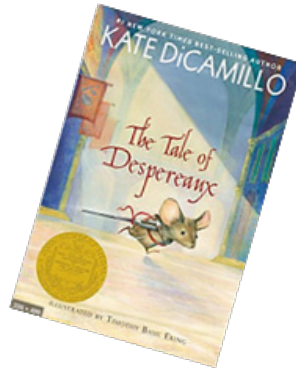

Last week, Logan launched its first One School, One Book family read aloud project. Each Logan family and staff member received a copy of the book, along with a bookmark and calendar listing which chapters to read each night.

It is my sincerest hope that you have joined us on this journey with *Desperaux*, a tiny mouse with a big heart and an even bigger love for Princess Pea! If you haven't started, it's certainly not too late, for we are only reading roughly 2 chapters per evening, so only 10-15 minutes per night.

The benefits of reading aloud daily to children are immense. In fact, it is the single most important activity for building the knowledge required for success in reading! I continued reading aloud each night to my children through middle school and look back on those times as some of my most treasured minutes as a father.

If there is ever a night that you just can't squeeze it in, you can listen in the car or during dinner at the following web address: <http://bit.ly/3c5Wjnv>.

I can't wait to see what happens next! Can you?!

March Reading

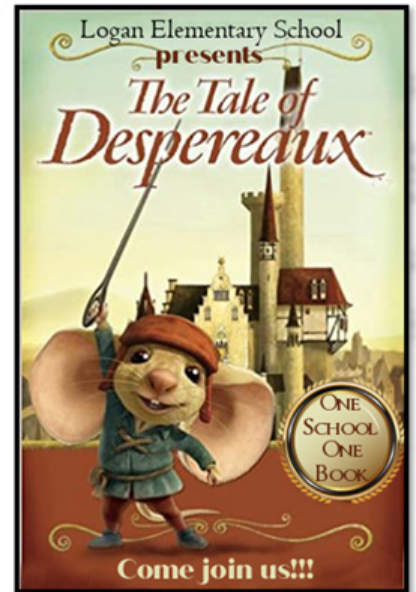

Family Literacy Event

We hope you are joining us in our celebration of reading during the month of March! As you probably know, the entire school is reading one book:

The Tale of Despereaux!

We want every Logan family to read with us, as we explore the adventures of a unique mouse. Please set aside time to read with your family each night! Books and calendars were sent home this week and are available on Peachjar.

Logan Launches One School, One Book Event

As Logan launched the shared reading of *The Tale of Despereaux* project last week, Logan families and staff were encouraged to send in pictures of them embracing this shared fun. Enjoy just a few!
