Principal's Corner

Greetings Logan Community,

I am excited to pass along the announcement of Gonzaga University's Opportunity Northeast initiative. Opportunity Northeast's focus is to build partnerships with residents and organizations to collectively "foster a thriving community for those who live, learn and work in Northeast Spokane."

Logan already benefits from many partnerships with Gonzaga including our Tuesday Logan Family Meal, Study Buddies, ZAG Dance, The Walking School Bus and more. With multiple Logan staff members participating on work groups associated with the focus areas noted on page three, we are excited to be a part of this exciting new era of collaboration!

To learn more, please visit <https://www.gonzaga.edu/about/in-the-community/opportunity-northeast>. There you will find additional information, along with a 4-minute video that highlights the launch and sees many clips of Logan kids and community.

Go ZAGS!

Children's Author Kenn Nesbitt is Visiting Our School!

Kid's poet Kenn Nesbitt is coming to our school for a day of poetry, jokes and fun March 25th all day and April 3rd half a day. If you would like to purchase an autographed book, order forms have been sent home with your student (due back March 16th).

Dining in the Den

Generation Alive Continues!

One quarter, yes just 25 cents, is enough to provide one nutritious meal of dried grains, vitamins and vegetables for a person here in Spokane County. Please keep sending in your quarters, and any other loose change, to help with this worthy cause!

The class that brings in the most donations will score a pizza party! Our goal this year is to raise enough money to make 10,000 meals! With your support, we are confident we will succeed!

A unique and powerful aspect of Generation Alive is that it is not just about collecting money. The money raised will go toward purchasing supplies that will lead to a Something to Eat food-packing event, which will see Logan students pack the meals that will be distributed around the county. The event will take place March 12 at Logan.
