LION'S ROAR

News from Logan Elementary School

October 1, 2020

Principal's Corner

Good day to each of you,

As students continue to attend school virtually, I wanted to share a few tips for helping your scholar find success in an online learning world while allowing your family to retain its privacy and sanity.

- **Location:** Find a location at home that sees your lion sitting in a location with a wall directly behind them. This will help ensure that your scholar's classmates do not see what is happening in the home behind the online learner.
- **Microphone:** Remind your scholar to keep their mic off unless they are actively sharing with the class or teacher. This helps keep background noise out of the class session and ensures other online learners are not privy to the discussions that other members of your household are having.
- **Headphones:** Consider having your scholar use a pair of headphones while in class. This will help your young lion concentrate and keep your home a little quieter. This is especially true if you have more than one child learning online at the same time. Logan has many pairs of headphones that were donated that can be given to families for free. Contact the office if you need a pair or two.

I continue to appreciate all that Logan families and teachers are doing to make the most of these challenging learning times. We look forward to having more and more students here learning in person and will do whatever it takes to help those who continue learning at home find the success that they deserve.

In partnership,

Brent A. Perdue

Principal, brentp@spokaneschools.org

Crossing Guards and Noon Supervisors Needed!

Logan is in need of permanent hires and substitutes to serve as morning and afternoon crossing guards, as well as supervisors for the lunchroom and playground during the noon hour. Most regular employees get hired on after first starting as a substitute, and rarely do they have to work very long before being hired on a more permanent basis. The wage for these positions is \$13.50 per hour. And while a background and fingerprint check is required for employment with Spokane Public Schools, Logan will pay the associated fees for anyone after 10 hours of service. It is a great way to get outdoors, interact with students and become more involved in the school that your child or children attend. For more information, please call the Logan office at 354-3434 between the hours of 8 and 4 pm.

Spokane Public Schools complies with all federal and state rules and regulations and does not discriminate on the basis of age, sex, marital status, race, color, creed, religion, national origin, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability, sexual orientation including gender expression or gender identity, or honorably discharged veteran or military status. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities, and provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to the school district's officers listed on our website at www.spokaneschools.org/nondiscrimination.

CAPTAIN COVID'S CAVE

Watch New Episodes of Captain COVID each week on Logan's YouTube channel: <https://bit.ly/2YURtUC>

With kindergarteners set to return to Logan next week, I want families to know that the Logan staff take your family's safety very seriously and they have Captain COVID's stamp of approval for their efforts! Logan staff members have their own families that they wish to keep safe too!

Scholars will be wearing masks, eating in classrooms and playing at recess with only children in their own class. Rooms have been organized to ensure social distancing, high touch areas are cleaned frequently throughout the day and handwashing will be a priority.

Parents can rest assured that Logan staff will follow Health Department and District safety guidelines and work tirelessly to take care of the Logan Lion Pride!

Logan Family Meal and 2nd Harvest Food Distribution a Big Hit!

The Logan Family Meal, which has been serving dinner weekly for two years now, recently added a 2nd Harvest Food Distribution that will continue through December. Over 120 families have joined the distribution each week, taking home boxes of fresh and shelf-stable food loaded by Logan staff and volunteers.

Free Food Distribution

Logan Elementary School

1001 East Montgomery
Spokane, WA 99207

Every Tuesday

Through December

5PM-6PM

Boxes of fresh produce and dairy, along with dry goods available each week. No appointment necessary. Held rain or shine.

5-Day Meal Kit Pick Up Time Changes and Bus Delivery

In order to meet family requests and have enough time and product to make thousands of 5-day kits, some changes to available pick up times have been made. Please note the changes below:

- Mondays from 11:50 a.m.-12:50 p.m (same lunch time as before but no Monday evening time)
- Tuesdays from 5-6 p.m. (new day)
- Wednesdays from 11:50 a.m.-12:30 p.m. (Same day, new closing time)

Mobile Meals Start Oct. 6

To help families who are unable to pick up meal kits at a school, we will be offering mobile meals delivery on Tuesdays, starting Oct. 6. Drop-offs are scheduled between 3:30-4:45 p.m.

If you are able to pick up your meal kit at a school, please continue to do so. This service is intended to support those families with barriers to accessing meal pickup at schools. And remember, if you can pick up at school, you will also be able to pick up dinner as part of Logan’s Tuesday Family Meal, and boxes of groceries from the 2nd Harvest Food Distribution.
