LION'S ROAR

News from Logan Elementary School

October 15, 2020

Principal's Corner

Good Thursday to Everyone,

Last week saw the return of kindergarteners to the hallways at Logan. I have to admit, having the sound of young voices and laughter in the building is something that I have missed very, very much. And at the same time, I want families to know that I take their safety, and the safety of our Logan teachers and staff very, very seriously.

And while I could not see their smiling faces with masks on, I could tell there was much excitement about coming to school! I will include a few pictures from the first days. More can be viewed on Logan's Facebook Page (facebook.com/LoganElementarySpokane). While there, be sure to follow so you can get other fun and informative information about the happenings at school.

Take care and be well,

Brent A. Perdue

Principal, brentp@spokaneschools.org

Crossing Guards and Noon Supervisors Needed!

Logan is in need of substitutes to serve as morning and afternoon crossing patrol guards, as well as substitutes for the lunchroom and playground during the noon hour when regular employees are away. Most regular employees get hired on after first starting as a substitute, and rarely do they have to work very long before being hired on a more permanent basis. The wage for these positions is \$13.50 per hour. And while a background and fingerprint check is required for employment with Spokane Public Schools, Logan will pay the associated fees for anyone after 10 hours of service. It is a great way to get outdoors, interact with students and become more involved in the school that your child or children attend. For more information, please call the Logan office at 354-3434 between the hours of 8 and 4 pm.

Spokane Public Schools complies with all federal and state rules and regulations and does not discriminate on the basis of age, sex, marital status, race, color, creed, religion, national origin, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability, sexual orientation including gender expression or gender identity, or honorably discharged veteran or military status. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities, and provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to the school district's officers listed on our website at www.spokaneschools.org/nondiscrimination.

CAPTAIN COVID'S CAVE

Watch New Episodes of Captain COVID each week on Logan's YouTube channel: <https://bit.ly/2YURtUC>

Last Friday, the Spokane School District released a dashboard that is accessible to parents and community members who are interested in COVID-19 activity associated with a particular school. The dashboard lists each of the following for every school in the district:

- Current Confirmed Cases
- Staff and Student Exposure
- Number of Individuals in Quarantine
- Cases Originating Outside School

· Cases Originating Inside School

The dashboard, along with other important information including quick guides for responding to potential or confirmed cases can be found at www.spokaneschools.org/page/4706

Remember Captain COVID's 3 W's:

- ▶ **W**ear a Mask
- ▶ **W**ash Your Hands
- ▶ **W**atch Your Distance

Tooth Savers

Tooth Savers will be at Logan November 12 and 13 to provide preventive dental care to students. Tooth Savers' main focus is to prevent cavities and keep teeth healthy. Medicaid pays 100% of services. **NO CHILD IS TURNED AWAY IF THEY ARE UNABLE TO PAY!** Participants will receive a dental screening, toothbrush, fluoride, sealants, education, and referrals to local dentist if needed. A link to sign up has been posted to PeachJar.

Download the Spokane Public Schools App

A quick and easy way to submit your student's daily health check.

Daily Health Checks Required

All students attending school in person must have a daily health check completed before entering the building. Parents are encouraged to complete the health check before the child leaves home. This helps create a routine, and also gives time for the health check to be registered in the SPS reporting system.

The easiest way to complete the health check is through the Spokane Public Schools app, which is available on Google Play and the Apple App Store.
