# LION'S ROAR

News from Logan Elementary School

October 8, 2020

## Principal's Corner

Greetings Logan families and community!

Yesterday saw the first day of in-person instruction for cohort A of our kindergarten class. Today, cohort B is at Logan having their first day of in-person instruction.

And while our preschoolers started a couple weeks ago due to their unique learning needs, the return of kindergarten marks the beginning of a transitioning period for all students to return to school.

Spokane Public Schools has committed to follow the recommendations of the Spokane Regional Health District and will continue to do so to protect your scholar, your family and your school staff.

I recognize that there are those who would like to see us wait to return to any in-person instruction until infection rates are lower, and those who would like all scholars to return at once. Know that if it were deemed safe to do so, we would certainly bring all students back. But for now, we will move slowly and carefully, and continue to follow the guidance of the public health officials whose expertise far surpasses my own on the subject.

For those families whose lions continue to learn online, I commend you for your ongoing commitment to your children and their online learning. This is hard. It is hard for teachers, hard for scholars and hard for parents. Hang in there. We will get through this together!

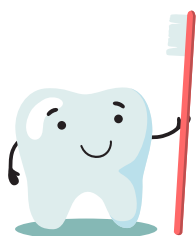

Stay safe,

Brent A. Perdue

Principal, [brentp@spokaneschools.org](mailto:brentp@spokaneschools.org)

## Tooth Savers

Tooth Savers will be at Logan November 12 and 13 to provide preventive dental care to students. Tooth Savers' main focus is to prevent cavities

and keep teeth healthy. Medicaid pays 100% of services. **NO CHILD IS TURNED AWAY IF THEY ARE UNABLE TO PAY!** Participants will receive a dental screening, toothbrush, fluoride, sealants, education, and referrals to local dentist if needed. Contact the office to sign up.

**MOBILE MARKET**  
2<sup>nd</sup> HARVEST

**354-3496**

Spokane Public Schools complies with all federal and state rules and regulations and does not discriminate on the basis of age, sex, marital status, race, color, creed, religion, national origin, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability, sexual orientation including gender expression or gender identity, or honorably discharged veteran or military status. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities, and provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to the school district's officers listed on our website at [www.spokaneschools.org/nondiscrimination](http://www.spokaneschools.org/nondiscrimination).

# CAPTAIN COVID'S CAVE

Watch New Episodes of Captain COVID each week on Logan's YouTube channel: <https://bit.ly/2YURtUC>

Families may be wondering what will happen when a student presents symptoms of illness while at school, that may be related to COVID-19. The process outlined below is in place in all Spokane Public Schools locations.

First, let's look at what symptoms will lead to a parent being asked to pick up their scholar.

Either of these:

- Cough
- Shortness of breath

Or at least two of these:

- Fever
- Chills
- Repeated shaking with chills

- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

If a scholar presents symptoms as detailed above, they will wait in a designated location in the school away from other students until they can be picked up.

The scholar will not be allowed to return to school until we receive one of the following:

- A doctor's note indicating the illness is not COVID-19
- Proof of a COVID-19 test showing the scholar tested negative OR
- It's been 10 days since onset

## Remember Captain COVID's 3 W's:

- W**ear a Mask
- W**ash Your Hands
- W**atch Your Distance

of symptoms, and they have been symptom-free for 24 hours without Tylenol/Advil.

Logan takes the health of your scholar, your family and your Logan extended family here at school very seriously. Thank you in advance for understanding the need to take precautions to keep Logan open and kids learning!

*First Ever Annual*

# PUMPKIN DRIVE

*All proceeds will benefit Bite 2 Go*

**FRIDAY - SUNDAY**

**OCTOBER**  
**9<sup>TH</sup>-11<sup>TH</sup>**

## PUMPKINS STARTING AT \$5

**GRANGE INSURANCE ASSOC. • BELLWETHER BREWING**

# 5-Day Meal Kit Pick Up Time Changes and Bus Delivery

In order to meet family requests and have enough time and product to make thousands of 5-day kits, some changes to available pick up times have been made. Please note the changes below:

- Mondays from 11:50 a.m.-12:50 p.m (same lunch time as before but no Monday evening time)
- Tuesdays from 5-6 p.m. (new day)
- Wednesdays from 11:50 a.m.-12:30 p.m. (Same day, new closing time)

## Mobile Meals Started This Week

To help families who are unable to pick up meal kits at a school, meal delivery is scheduled for Tuesdays. See the times and drop off locations below.

If you are able to pick up your meal kit at a school, please continue to do so. This service is intended to support those families with barriers to accessing meal pickup at schools. And remember, if you can pick up at school, you will also be able to pick up dinner as part of Logan’s Tuesday Family Meal, and boxes of groceries from the 2nd Harvest Food Distribution.

Bus stop locations and times are shown below.

### Logan Area - Green

| Bus Stop  | Arrive    | Depart     |
|---|-----------|------------|
| E CLEVELAND AVE @ N ASTOR ST                            | 3:34 p.m. | 3:37 p.m.  |
| E LIBERTY AVE @ N MAYFAIR ST                            | 3:40 p.m. | 3:43 p.m.  |
