## Principal's Corner

Logan Families and Community Members,

*It was a great start to school on Thursday. As I spoke with many families and students, they expressed their gratitude for having the opportunity to start school in a semi-normal way. Likewise, students and the Logan staff were thankful to reconnect and build positive relationships, which is the foundation of Logan Elementary.*

*I look forward to meeting new families and students this year. Feel free to stop by and say hello. Also, I encourage all of our families to attend the Logan Community Dinner on Tuesdays from 5 pm to 6 pm. That is another way to build our incredible community!*

*As we settle into our regular school days, please have your child to school at 8:25.*

Sincerely,

*Jessica A Vigil*

## Free Breakfast and Lunch for All!

### *But We Need Your Help!*

"Thanks to the USDA Community Eligibility Provision (CEP), Logan parents can cross lunch boxes off their back-to-school shopping lists," said Doug Wordell, the director of Spokane Public Schools Nutrition Services.

CEP aims to reduce both childhood hunger and administrative paperwork by providing a breakfast and lunch to all students free of charge. This option helps ensure that children at qualifying schools can eat healthy meals at school.

Students are encouraged to enjoy a healthy breakfast and lunch every school day this year.

Parents are asked to fill out a Family Survey each school year to help ensure our school keeps the federal and state grant funds that help support our great school programs. These funds pay for counselors, math and reading interventionists, instructional coaches, training for teachers, books for students and much more! Not having all surveys returned places these funds at risk. **Family Surveys are due back by September 24th.**

That's right, every child at Logan gets to eat free breakfast and lunch regardless of ability to pay!

## Morning Drop-Off

Before the coronavirus changed so many things about school, scholars would arrive at school at 8:00 for breakfast and then line up in the hallways for the start of school. This year, to prevent students from coming in to close contact with scholars from other classrooms and grade levels, students are coming directly in to classrooms and eating there. There are no lines outside, and parents are asked that their youngsters not come on school grounds until 8:25. The 8:25 signals that the exterior doors by classrooms will be held open by staff members for kids to go directly to their rooms. A staff member will remain at each door until 8:30, when the tardy bell rings.

## Crossing Guards and Noon Supervisors Needed!

Logan is in need of substitutes to serve as morning and afternoon crossing guards, as well as substitutes for the lunchroom and playground during the noon hour when regular employees are away. Most regular employees get hired on after first starting as a substitute, and rarely do they have to work very long before being hired on a more permanent basis. The wage for these positions is \$13.69 per hour. And while a background and fingerprint check are required for employment with Spokane Public Schools, Logan will pay the associated fees for anyone after 10 hours of service. It is a great way to get outdoors, interact with students and become more involved in the school that your child or children attend. For more information, please call the Logan office at 354-3434 between the hours of 8 and 4 pm.
