	8 Resumé					
	Your High School & Beyond Plan must include a completed résumé by the end of 12th Grade. A résumé or activity log is a good way to introduce yourself. You will usually need one if you are applying for a job, an internship, or scholarship, and one may be needed for a college application. A résumé or activity log summarizes who you are including, but not limited to your experience, what you can do, and your unique skills, talents, and leadership and/or athletic abilities.
