Unfortunately, this is a very short season with only a couple of schools that have enough room for us to play at. Because of this we are limited in the number of games that each student will be able to play in. We will be getting the students into teams during that second week of practice and will let each team know which games they will play in. During each game the teams will play either 2 or 3 games at that site. If you have any questions, please feel free to contact me at: ericf@spokaneschools.org
