# “The 12 Days of Shadle” ...Our annual Giving campaign

---

## 1. What is food insecurity?

When people cannot access nutritional meals on a consistent basis, they face food insecurity.

## 2. What does food insecurity look like?

Missed meals, limited or no food available, food lacking in nutritional merit, difficulty finding and accessing food

## 3. What is service learning?

Service learning addresses issues facing our community by problem-solving, developing action steps, and applying what you know.

## 4. How can you help or get involved?

Ask your parents if there is anything you can donate from home? Get together with a friend and combine piggy banks. Take what you can come up with and buy some items. Ask other family members to help with your efforts. It feels GREAT to GIVE and anyone can get involved.

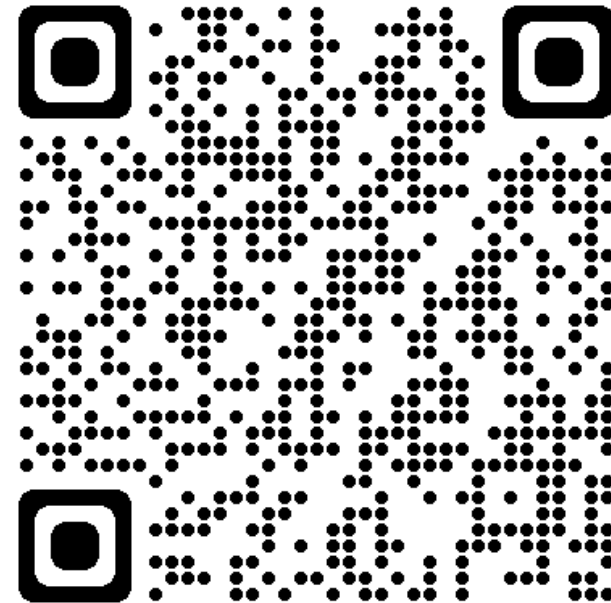

## We are kicking off our Season of Giving Plan.

At Shadle Park, we are starting our annual food drive to give back to the community. Watch this video to learn how each person can help the cause.

Please show and PAUSE this video. Explain how/what to bring in for donations. Have your classes go over the donation process and make a plan of how EVERY student can bring in a few items each. Also, please write on your white boards, the dress up day themes.

VIDEO: Click the link OR use the QR code to open.

# The Season of Giving Plan...4<sup>TH</sup> PERIOD classes

Starting next week – DECEMBER 4<sup>th</sup>

Bring non-perishable items to your 4<sup>th</sup> period class.

Items can be dropped off with your 4<sup>th</sup> period teacher before school.

During 4<sup>th</sup> period, a leadership class student will pick up donated items and take them to the Commons.

Items will then be counted, sorted, and organized in the cage in the commons.

# What do we need? Non-perishable items and necessities

- **Canned foods or soups**
- **Canned vegetables or fruits, tuna, tomatoes, meats, tomato sauce**
- **Dried fruits, beans, pasta, lentils, noodles**
- **Crackers, peanut butter, jellies, jams, honey, pancake mix, syrup**
- **Vegetable oil, rice, oats, trail mix, beef stew, chili, oatmeal**
- **Baking items such as flour, sugar, etc.**
- **Soaps, shampoos, hygiene products, dental floss, toothpaste or toothbrushes, diapers, etc.**
