

LEWIS & CLARK BASKETBALL

Future LC Tigers!

I hope all is going well for you this spring and that you are preparing yourself for a great school year here at Lewis and Clark High School next year. We are excited here about the past success of our basketball program and our 3rd place in state finish in 2018! We are looking forward to another great season this coming year! We are excited to have you as part of this and our Lewis and Clark Basketball Program.

Summer Basketball Calendar

Our coaching staff would like to invite you to be a part of our Summer Incoming Freshman Team(s). The first day of practice/tryouts for this, along with our entire basketball program, will begin on Tuesday, May 30th in the LCHS Gymnasium from 5pm-7pm. All practices will be held at Lewis and Clark, and games will be played in a summer league at West Valley HS. The enclosed schedule outlines all incoming Freshman practices and games for summer basketball. **Please note game times will not be exact until mid-May.**

Summer Basketball Philosophy

Our focus for our summer season is to improve your basketball skill level, have our players better understand our system of play, and build team chemistry, which will all help in our success next winter in a tough Greater Spokane League. All summer practice and game coaching will be done by our Lewis and Clark High School Basketball coaching staff. There is a chance that some players could “swing” between our different summer teams.

My biggest expectations for you during summer basketball is to play with a **GREAT ATTITUDE AND GREAT EFFORT!** This includes playing hard, being a great teammate, and being coachable.

Final Forms and payments links

The cost for incoming freshman to participate in summer basketball is **\$65 per player**. There is also the possibility of a tournament or two in addition to summer league. The cost for any additional tournaments will be collected at a later date. To register and pay, please go to Final Forms and locate **“Lewis and Clark Boys Basketball Summer 2023”** and then to **“Incoming Freshman Summer Basketball.”** Note the link to register will not go live until after Spring Break.

Our coaching staff needs to know your commitment to play summer basketball ASAP, as our rosters are limited. Please contact either myself at jasew@spokaneschools.org or our Athletic Director, Dave Hughes, at DaveHu@spokaneschools.org with your intentions or if you need further information. Thanks, and hope to hear from you soon!
