

The PTA helps to make Westview a great school in two main ways:

I. We raise money by holding fundraisers. The money funds classroom materials, class field trips, enrichment events, books for the library, etc. We work with our incredible Westview staff to make sure our kids have the resources and materials they need.

2. **We show up.** Cookies with Santa, Chili Bingo, Spring Carnival, Muffins with Mom, Donuts with Dad and Trunk or Treat-all planned and staffed by PTA.

These are the activities that give our kids a chance to have fun and make memories.

## Jime is a parent's most precious commodity, we get it ☺
