

## Flett Personal Electronics Expectations

At Flett Middle School, we want to encourage healthy, face-to-face social interaction. While technology has a place at school, personal communication and media devices are restricted during the academic school day.

- Students are expected to silence their phone and smart watch and have them in their backpacks **before entering the building** and for the entire day. If the phone or other communication device is out during the school day for any reason, the steps below will apply.
- Students are also expected to remove headphones/earbuds and place them in their backpack prior to entering the building for the entire day.

1<sup>st</sup> Intervention – Warning, documented

2<sup>nd</sup> Intervention - Phone placed in the office for remainder of school day. Parent contacted.

3<sup>rd</sup> Intervention - Phone placed in the office; parent(s) called to pick up the phone from the office. Students will be on a phone plan for two weeks.

4<sup>th</sup> Intervention - Phone plan for three months- Logged into PS. Plans will be individualized and communicated with parent(s)/guardian(s)

\*\*Students will check-in and check-out phones from the Business Office
