

# AN INCREDIBLY DELICIOUS FUNDRAISER

Madison Elementary has decided to sell Butter Braid Pastries!

*BUTTER BRAID* pastries are a delicious frozen pastry that you defrost, let rise, and bake in your own home for a very special dessert or breakfast entree. They are perfect for gifts, holidays, and special occasions. *BUTTER BRAID* pastries are unique, high-quality products that are not available in any store, and they're made in the U.S.A.!!! These are delicious pastries that your family, friends and neighbors will really enjoy.

### To get started...

- Register your child to sell with the online store, using the link provided by your coordinator. Email **Wesley Twitchell** at **WesleyT@spokaneschools.org** if you need the link OR scan the QR code
- Once registered, each SELLER will be emailed a link to their own personalized store for online ordering. Share this link with friends & family via text, email, social media etc.  
*(You will still be responsible for delivering these orders to your customers)*
- We recommend making a list of possible friends and family to sell to and begin reaching out.  
*"The most common response to why people do not buy from a fundraiser is that they were not asked or were unaware of it!"*
- Take a look at your child's Order form
  - Each Butter Braid pastry **costs \$17.00** with the earned profit of up to 40%.
  - Collect payment for the Butter Braid pastries **as you sell them.**
- \*Online orders are automatically processed and do not need to be tracked. Each seller will be provided a "Seller's Report" at time of delivery for all online orders.*
- Your order form(s) will be returned to you with your order at time of delivery.
