

Replacement Levy Election

February 9, 2021

What is a school levy?

School levies support essential programs, staff and services that provide a quality education for our students.

The educational program and operation levy is a way for the Spokane community to provide a well-rounded education for SPS students by funding extracurricular activities, support for students with special needs, and critical health and wellness services.

The 2021 levy replaces the expiring 2018 levy and is not a new tax.

Levies support programs and services, such as:

- Nurses
- Counselors
- Behavior specialists
- Student intervention programs
- Special education services
- Technology support
- Smaller class sizes
- Advanced placement courses
- Athletics
- Arts, music, and drama
