

Welcome! You are enrolled with Spokane Virtual Learning (SVL) for 2021-2022.

The first day of the Semester is Tuesday, February 1<sup>st</sup>. **All SVL students/parents need to log into their online course and email or call their SVL teachers on February 1st!**

Please attend an orientation if possible. If you are not able to attend the first one there will be another option the following week. In order to have your child get started please watch for an email from your child's SVL teacher. This email will include information about how your child will log in each day. They will also be calling to welcome you and to answer any questions.

**SVL Orientations** will be virtual. Please log in with the links below:
