Updated 8/21/2019

Computers are available for use during the Support Labs or students can bring their own laptop.

\*The Hillyard Public Library offers laptops for Spokane Public Schools High School students to check out for home use, using their Library/SPS school account. The application for the Spokane Public Schools and Spokane Public Libraries Laptop Program can be found on the SVL website [www.SpokaneVirtual.com](http://www.SpokaneVirtual.com) or completed at the Hillyard Public Library.

HotSpots are also available to Spokane Public Schools High School Students. There is a \$50.00 charge that is added to the student account, if not returned. The application and more information can be found on the SVL website: [www.SpokaneVirtual.com](http://www.SpokaneVirtual.com)
