

## PROGRAM INFORMATION NIGHT

The **Alternative Parent Participation Learning Experience (APPLE)** program is a lottery choice program open to all children in grades K-5 who live within Spokane Public Schools' boundaries. Families commit to 90 volunteer hours per year as part of enrollment in APPLE.

APPLE families become part of a dynamic, caring community sharing a common goal of enriched learning for children through parent and family involvement. 90 volunteer hours can be met in multiple ways, including in-school, at-home and after hour opportunities.

Attending an APPLE information session is a requirement for acceptance into the program. While the programs are similar, attending information night sessions offer school tours with school admin and teachers available for Q & A. It is highly recommended families attend the school session of your choice.

### FRANKLIN APPLE

Monday, January 29th

6 p.m. – 7 p.m.

2627 East 17<sup>th</sup> | Multipurpose Room

\*Childcare Available\*
