SBAC Math Exam passed: Y N

## Notes on your course selections:

To have a College and Career Ready Transcript, we strongly recommend that you **exceed** the minimum required courses and take classes that will help you with your post-high school pursuits.

See the chart at the left for the expected credits and the minimum credits.

**\*Personalized Pathway requirement:** If you choose to not select a second year of art and/or two years of a World Language, then choose 3 courses that lead to a specific post-high school career based on your Personalized Pathway interests.

**^World Language** is not a high school graduation requirement, but it is required to most 4-year universities and is recommended from the Spokane Community Colleges.

**Please see Course Catalog for AP options**

**If you have questions or concerns, please schedule an appointment with your counselor to develop a four-year course plan that prepares you for your future and finds your passion.**

**EXAMPLES of CORE class sequence to take each year of high school**
