SPECIAL EDUCATION NEED TO KNOW...

Program Information

- Purpose
- Program Expectations (Syllabi) & Accommodations
- Industry Certifications

Application Process (New Step)

- Welcome Wednesday (Mandatory for S2-Resistration on school web page)
- Student Registration
- Case Manager Recommendation/Current IEPs
- Enroll

Things to consider when referring a student (Best Placement?)

- Independence Level-Do they need extensive supports/accommodations and are they intrinsically motivated?
- Time Management-Many programs are "work at your pace" but be done by said deadline!
- Self-Advocacy-Do they understand their strengths and weaknesses, are they able to appropriately and respectfully reach out for help?
- Academics-Will they need to take an online academic course with us, can they navigate that independently, do they have supports from ascending school if they fall behind?

APEX Platform (Need academics)

- Weekly Progress Reports
- Built-in Supports
- Common Issues

Dual-Credit & Equivalency Credit

- 11 Programs with Tech Prep Credits
- 10 Programs with Core Academic Credit Available
- Process for awarding Core Credit

*Interested in learning more or getting hands on with curriculum? Please call or email to set up a visitation!
