

# Browne and the 2003-2009 Bond

Our community's overwhelming support of the school district's 2003 facilities improvement bond and educational program levy set in motion a chain of positive changes throughout Spokane Public Schools.

During the **2003-2009** bond cycle, yearly improvement projects were undertaken at all schools across the district to keep school buildings in good condition and to meet changing program needs.

Browne received:

- 20 Document cameras
- 15 Printers
- Wireless computing building-wide
- Play structure installation (purchased by the PTG)
- Security cameras
- Keyless entry access points
- 76 New classroom computers
- 15 Upgraded classroom computers
- 3 Mobile computer labs
- 21 Digital projectors

Your bond and levy dollars are not only creating safer, more efficient schools, but also more jobs for the Spokane community.

Thank you, voters!
