

Hamblen and the 2003-2009 Bond

Our community's overwhelming support of the school district's 2003 facilities improvement bond and educational program levy set in motion a chain of positive changes throughout Spokane Public Schools.

During the **2003-2009** bond cycle, yearly improvement projects were undertaken at all schools across the district to keep school buildings in good condition and to meet changing program needs.

Hamblen received:

- Energy system upgrades
- Multipurpose flooring
- Heat pump replacements
- Boiler replacement
- 23 Document cameras
- 10 Printers
- Wireless computing building-wide
- Security cameras
- Keyless entry access points
- 69 New classroom computers
- 34 Upgraded classroom computers
- 2 Mobile computer labs (including 10 laptops purchased by the PTG)

Your bond and levy dollars are not only creating safer, more efficient schools, but also more jobs for the Spokane community.

Thank you, voters!
