

# Jefferson and the Bond

The 2009 bond plan includes complete renovations of Ferris High School and Jefferson, Finch, Westview and Hutton elementary schools-all part of the school board's 25-year long-range plan to update or modernize the district's oldest schools.

Our community's overwhelming support of the school district's 2003 facilities improvement bond and educational program levy set in motion a chain of positive changes throughout Spokane Public Schools.

During the **2003-2009** bond cycle, yearly improvement projects were undertaken at all schools across the district to keep school buildings in good condition and to meet changing program needs.

Jefferson received:

- Updated fire alarm system
- New asphalt overlay
- Exterior painting
- Select sidewalk replacement
- Storage area abatement
- Energy control upgrades
- Select re-roofing
- Security cameras
- Keyless entry access points
- 91 New classroom computers
- 17 Upgraded classroom computers
- 3 Mobile computer labs
- 26 Digital projectors
- 26 Document cameras
- 7 Printers
- Wireless computing building-wide

Your bond and levy dollars are not only creating safer, more efficient schools, but also more jobs for the Spokane community.

Thank you, voters!

**BUILDING SPOKANE'S FUTURE:**
