

8th Grade Learning Plan for Week of 6/1/20

Dear APEx Students and Families:

Here is the learning plan for June 1-5. Students should be working for about 20 minutes a day per class. Students with IEPs or receiving ELL support, can choose to do the activities in the *IEP/ELL Support* section instead of the assigned Math/ELA/History/Science work.

We recommend that you download this document and keep it on your desktop. This will allow you to access it every day when you start learning.
