

Dear Home Team students and families,

As we move into the last two weeks of school, it is bittersweet to not be together! The final two weeks we will use to catch up on any missing projects or past due PFAs. If you are struggling, or have questions, please reach out to one of us.

Locker cleanouts and checkouts begin next week for 7<sup>th</sup> graders and the following week for 8<sup>th</sup> graders. You can return books and pay fines during this time. Please see the e-mail from Mr. Swett on the [checkout process](#).

### Learning Schedule/Materials

You will not find any new materials this week or next. Take this time to finish up your classwork/projects (70% of your grade) and content assessments/PFAs (30% of your grade) and your math work in Khan Academy or Mathia. Previous week's menus are linked in Teams. You may complete any of the past due work/projects listed on the learning menus.

### Content Assessments/PFAs

We will approve up to two PFAs per day between 10:00am-12:00pm Monday through Thursday. Once approved, you must complete them within 8 hours. Remember, the best way to pass the content assessments is to take notes on the Power Focus Area and use those notes on your test. You may not use other resources or materials on your content assessments.

### Daily Live Sessions

Lives sessions will be held for core classes Monday-Wednesday; 7<sup>th</sup> grade at 12:00pm and 8<sup>th</sup> grade at 1:00pm (except 8<sup>th</sup> grade Algebra it will be at 12:30 on Mondays). Links to the live sessions have been posted in Teams; you can join us via the desktop app, mobile app, or on the web at office.com. Tips for joining are posted on the Learning Schedule.
