

7th Grade Learning Plan for Week of 6/15/20

Dear APEx Students:

Welcome to the last week of school! We will miss you over the summer months and hope to see you back as 8th graders. Please join us for a final celebratory video chat on Friday at 2:30 on the History Teams page. It can't replace the normal end-of-year rituals, but we want to have a chance to say good-bye.

Final semester grades will be posted to PowerSchool on June 19, although grades and incomplete assignments can always be checked on Summit. If you have questions about grades, please email your teacher as soon as possible.

For your last week, please complete all Power Focus Areas and any missing final products. Email your teacher when you are ready to have a content assessment approved. All work must be done by Thursday, June 18.

Want to keep learning this summer?

- Clever apps will continue to be available during the summer for students who want to build skills in math, reading, writing, science, social studies, and test-taking skills.
- Attend virtual summer school at Shaw. Contact Ms. Sleeth with questions.
- Check out Spokane Public Library's [summer reading program](#). The best thing you can do to grow as a learner is to READ!!!!

We miss you!

Your APEx Teachers
