Monday:

Memorial Day (No School) (No Zoom Meeting)

Tuesday: Science and Math

1. Continue to work in your take home packets.
2. Do the "Assignments" in MobyMax Math.
3. Work on Great Body Book in your packets. This time of year is when we would have visited the Planetarium so watch **generation genius** lesson on stars (to open the video ctrl + click on it and you may have to copy the address and open it in google).

If the video stops and asks for **Members only / login or join**.

Click on (**try it for free** and then **student**) and you should be able to watch the whole video.
