

Shaw Newcomers - Math Assignments May 18th - May 22nd

Please complete each day's assignment and be ready to talk about them in our weekly math video chat.

Please note that due to Memorial Day, the math video chat will be moved to Friday, May 29th at 2:00pm on Microsoft Teams.

This week we will learn to:

- Identify planes shapes given their number of sides and angles
- Name new solid shapes (rectangular prism, triangular prism, square pyramid)
- Tell how many faces a solid shape has
