

Team APEx Families and Students:

We miss you! If you haven't emailed your teachers yet, please reply to this message.

Spring Break is here. We know it feels odd, when you're already staying at home, to observe Spring Break, but we recognize that it is important to take breaks. As such, you and your family must decide if you are going to maintain your learning schedule or use this week as a break to reset for continued learning through the remainder of the stay-at-home order. No new work will be assigned this week.

Quarter 3 report cards will not be issued. Student grades will continue to reflect work completed through March 16. Students can choose to work on missing assignments in order to increase their grades. No work assigned during the stay-at-home order will decrease a student's grade. We are waiting for more guidance from district leaders before making any further decisions about Quarter 4 grades.

If you prefer to communicate by text, follow the directions below. This will set you up with the Remind app. You will be able to text questions and even photos of notes to your teachers.

Text the message @42faka to the number 81010.

If you're having trouble with 81010, try texting @42faka to (714) 203-6271.

That's it for our Spring Break Update. Don't hesitate to contact us if you need anything. We will connect with you again on April 12.
