

April 2, 2020

Hello families!

We hope everyone is doing well and have enclosed several work packets you may have your student complete as best they can.

Some of the pages reference a textbook (which you don't have) but could look things up on the internet, if you have internet. Otherwise, just do the best you can!

We have tried to include a variety of materials to meet the individual needs of your student.

Please feel free to email either one of us, or call our school phone as we do have access to that. Also when we call you, it will probably show "unknown number" or "blocked number" but it might be us!

Thanks for your diligence during this uncertain time!
