

Hello!

Mr. Brown & I will be putting together work packets TOMORROW-WEDNESDAY, APRIL 22, 2020 for each student! They will be available for **pick up at 12:00 tomorrow** at the North end of school-by the cafeteria doors. These will be a part of each student's LEARNING PLAN, to meet IEP goals.

Beginning next Monday, April 27, 2020 we will start having **MONDAY MEETINGS on ZOOM at NOON!** We look forward to seeing all of you then!!! It'll be like a big class altogether again, at a safe distance! More details/invitations to join the meeting forthcoming.

We also plan to continue a weekly newsletter/powerpoint with suggestions and weekly activities to supplement the work packets.

SO!!! Please plan to **pick up your student's packet at 12:00 tomorrow at the NORTH end of SHAW!** We can even bring the packets out to your car, if you'd prefer!

Be safe and healthy!

Mr. Brown & Mrs. Johnson
