

Mrs. Bateman's Reading Enrichment Class

READ180: You don't need a microphone because the computer has a built-in microphone and you can sign in, speak and record that way. You can access Read 180 from 7:00 a.m. to 8:00 p.m. daily (this changed since last week).

ReadWorks (You will find this icon on my Clever page or yours)
Once a week, you will read a story and answer questions with ReadWorks

This activity is just like when you were in my class (only on the computer). You will read the assigned story and answer the multiple choice and written responses (make sure you restate the question). When you finish answering all the questions, submit your answers.
