

## [Microsoft Teams & Blackboard Instructions for Spanish 1 Chapter 4 \(March 10-April 19\)](#)

**Every Spanish student needs to access our Spanish TEAMS page from their Microsoft 365 (Clever portal) accounts in order to stay updated on what is going on and when various LIVE opportunities will be taking place. They also need to access BLACKBOARD and find our Spanish class to complete weekly assignments. Attached are the detailed BLACKBOARD instructions for students through this week.**

To access Blackboard go to the CLEVER portal. If you are using a district computer this will be on your desktop but if not you will need to go to the SHAW website and click "digital tools" at the bottom and then find the CLEVER portal. From there click on "blackboard". Find our Spanish class and you are ready to begin! In Blackboard the two main tabs on the left we will be using are "COURSEWORK" and "SUBMIT ASSIGNMENTS". COURSEWORK is similar to an online textbook and you will never turn anything in here. SUBMIT ASSIGNMENTS is where you will submit work to me. First go to "coursework" then click on "capítulo 4 ¿Qué comemos y dónde?" and begin making your way through the following assignments. Try to complete them before Monday April 20<sup>th</sup> if possible! If you are not able to open a link to complete an assignment try using CHROME. If it still doesn't work just move on to the next assignment. Remember this is practice, just do your best!!

### 1. 4-1 Capítulo 4 Pizarra Interactiva (open and practice if possible)

Try to open up the "interactive chalkboard" and practice the unit vocabulary. If it does not open for you don't stress (there have been many people who are not able to access this for some reason). You also do not need to print out the vocab list at the bottom if you don't have a printer (It is the same list for ch. 4 in your INB) just open it up and practice the vocab terms until you have mastered most of them. (This is the same vocab we practiced before our quarantine time and can also be found on QUIZLET)

### 2. 4-2 Vocabulario 1

Follow the "steps to complete" by following the directions and clicking on the various links. If your computer does not allow you to open a link that is okay, just do the next one. Once you are done with numbers #1-4 go to the left side of the page and click the "submit assignments" tab. Open the "Capítulo 4 Assignments folder". Open the "4-2 Vocabulario 1" folder and complete the assignments 4.2A through 4.2 E. Each will have an intro page just click "continue" or "begin" to start the work. Below are detailed instructions for each of these sections. Remember to do your best (I am just checking for PARTICIATION)

**4.2 A Directions** - Look over the 4 pictures. Then click on the link to listen to the audio. You will listen to 4 statements, one for each photo. **Listen as many times as you need.** Match each statement you hear with the photo it describes. For example, the first statement says "Elena toma el desayuno en casa" (Elena takes or has breakfast at home). The correct answer would be "D" because she is eating breakfast in that picture. "Then click SUBMIT. This can be attempted multiple times if necessary.

**4.2 B Directions** – Look over each statement. If it is correct choose "sí" and if incorrect choose "no". For example, the first statement says "La naranja es una fruta" (Orange is a fruit). Since this is true choose "sí". If you do not know the vocabulary words look them up in your INB (you should not be just "guessing"). Click submit when done.

**4.2 C Directions** - Put the following foods in the correct category. Keep in mind that some can fit into more than one category. For example, the first food is "los huevos" (eggs). From the given categories the only one it fits in to is "desayuno" or breakfast so click that one. When done click SUBMIT.

**4.2 D Directions:** You will read two statements, select the statement in each pair that makes sense. For example number has two statements "Tengo hambre. Voy a comer algo" (I am hungry. I am going to eat something) and "Tengo hambre. Voy a beber algo. (I am hungry. I am going to drink something). Since the second statement doesn't make sense I would choose the first one. When finished click submit.

**4.2 E Directions:** Click on the listen and listen to the seven statements. For each one decide if it makes sense or not. If it makes sense click "sí" for that question number. If it doesn't make sense, choose "no". For

example, number one says “El helado es un postre delicioso” (ice cream is a delicious dessert). Since this statement makes sense I would choose “sí” for number one. Listen to the audio as many times as necessary.

### 3. 4-3 Listen and Repeat (click on the audio to listen and repeat the words out loud)

Click on the audio link and listen to the phrases. Repeat and practice your pronunciation out loud. If you have a program to record your audio on your own computer you can do the second part and actually record yourself saying them. Go back to the "submit assignments" tab on the left and click on 4-4 Listen and Repeat, find your file on your computer and then submit. If you DON'T have a program to record yourself *no worries*. Just practice and submit nothing!

### 4. 4-4 Vocabulario 1 Quiz

First click on the QUIZLET link or go to our QUIZLET page and practice the terms. You can go to Quizlet.com, search sra\_lawhead, then find “capitulo 4 que comemos y donde?”. You can do ‘learn’ or play a game with them.

Go back to the "**submit assignments**" tab on the left, click "**capítulo 4 assignments**" and click **4-4 Vocab Quiz 1**. Complete the quiz with no notes and click submit. You can re-take this quiz as many times as you want in order to get 100%.

### 5. 4-5 Vocabulario 2

Click the link and look over vocab part 2 or look at the vocab in your INB under the section “en el café” from our chapter 4 vocab. Next go back to the “SUBMIT assignments tab” click on “Capitulo 4 assignments” and submit the following assignments 4.5A to 4.5F

\*4-5 A Directions: Read the listed food item. Choose what category it would best fit in: bebida (beverage), merienda (snack) or comida (meal). For example, the first one says “limonada” (lemonade) since this is beverage select “bebida”.

\*4-5 B Directions: Select the word in each group that does not belong. For example, number one says “batidos” (milkshakes), “refrescos” (drinks), “jugos tropicales” (tropical juices) and “empanadas” (empanada/turnover/pie). Since “empanada” is the only one that you eat and not drink select “empanada” for number one.

\*4-5 C Directions: Look over the word bank at the top. For each question choose the word form the word bank that is being defined. For example, number one says “una fruta tropical” or a tropical fruit. Since the only tropical fruit in the wordbank is “la naranja”, type “la naranja” in the blank for number one.

\*4-5 D Directions: \*This can be a difficult one, just do your best! It can be attempted as many times as necessary. Read over the ten statements (make sure you know what each statement is saying, you will need to use your vocab and possible the internet to figure them out) and then put them in chronological order. For example, “Anita va al café” (Anita goes to the café) would need to happen FIRST before any other statement so select that one as number one.

\*4-5 E Directions: Click on the audio link and listen to the seven statements. Decide who is speaking in each one, the waiter (mesero) or the client (cliente). For example, the first statement says “El menú, por favor” (the menu please). Since a client would say that and not a waiter, select “cliente” for number one.

\*4-5 F Directions: Click on the audio link and listen to the given words. Decide if they are something to eat (para comer) or drink (para beber). For example, the first one is “albóndigas” (meatballs). Since this is a food, select “para comer” (to eat) for number one.

### 6. 4-6 Listen and Repeat (click on the audio to listen and repeat the words out loud then record yourself if you can submit your own audio 😊 )

Click on the audio link and listen and read the phrases. Repeat and practice your pronunciation out loud. If you have a program to record your audio on your own computer you can do the second part and actually record yourself saying them. Go back to the "submit assignments" tab on the left and click on 4-6 Listen and Repeat, find your file on your computer and then submit. If you DON'T have a program to record yourself *no worries*. Just practice and submit nothing!

7.  4-7 Vocabulario 2 Quiz (Complete and submit the quiz)

-First click on the QUIZLET link or go to our QUIZLET page and practice the terms. You can go to Quizlet.com, search sra\_lawhead, then find "capitulo 4 que comemos y donde?". You can do 'learn' or play a game with them.

8.  4-8 Interrogativos (question words) Study the following question words before attempting this "quiz": Adónde (to where), Cómo (how), Cuándo (when), Dónde (where), Qué (what), Quién (who) and Quiénes (who plural).

Read the statement and pay attention to the underlined phrase. Fill-in-the blank with the best question word to get the underlined information. For example, number one says

"Ven una mesa libre en el café. (They see an open table in the café)

¿\_\_\_\_\_ven una mesa libre? (\_\_\_ do they see an open table?)

- a. Cuándo b. Dónde c. Cómo

Since the underlined information is a PLACE, the best question word would be "dónde" or where so type in "dónde" in the blank.
