

## RIVERHAWK REGISTRATION PREVIEW

Hello future Riverhawk families!

It is hard to believe that your fifth grader will be transitioning to MIDDLE SCHOOL beginning in February! Flett Middle School is up and running and has had a great first semester. We are excited to welcome our new 6th graders and have grades 6, 7, and 8th all under one roof. Middle school is an exciting time and brings dynamic changes academically socially and emotionally for your student. We have designed a move-up process that seeks to meet those needs and keep you as a key player in this process. We are excited to introduce you to our neighborhood and house system as well as curriculum, activities and support services.

We will give students and families information and time to choose the electives that work for them. Because these numbers then drive our staffing and master schedule, we may not be able to accommodate changes.

**IEP and 504:** If your student will have an IEP or 504 by the end of 5th grade, we will be meeting with your child's case manager from Elementary and their counselor to go over the plans to make sure that support services are in place.

**Choice Portal:** If you are not within the Flett Middle School Boundary and want to attend Flett, please go on to the district enrollment portal and complete the process. The enrollment window for the 2024 -25 school year is open from January 1st thru February 15th.

**Individual student/family needs:** We will have a time for you to connect with your Flett counselor to share any concerns or special needs.

We are excited to welcome you to the Flett Family and hope that this process will assist you in preparing for the great adventure of Middle School! Let the journey begin!

**Grade 6 Counselor:** Tatriana Muravez (TatrianaM@spokaneschools.org)

## REGISTRATION TIMELINE
