

B. Burns Scope and Sequence

Week of May 11th through May 15th

Math Content Explored: Expressions and Equations

Math Content Reviewed: Proportions and operations with rational numbers

There is a weekly live meeting every Monday at 11:30 am. In this meeting we go over all that is due for the week and answer any questions. It is also a good time to connect with teacher and classmates.

The table below contains all the math work that needs to be completed by the end of the week. There are 4 assignments for the week of 5/11 – 5/15

Assignment	Description	Resources/Link	Due Date	Points
Sign up/enroll in Mega Team in Khan Academy - you have not already.	This is where a lot of the learning will take place. All students need to enroll in this.	Click here to join Khan Academy Click here to watch a how to video	May 15 th	5
Work on Khan Academy Lessons	This week I assigned course work on expressions and equations along with some review of operations with integers.	Watch the how to video above. The second half is on where to find assignments.	May 15 th	25
Complete the weekly Kahoot!	Multiple choice game that reviews concepts previously taught. This week it is operations with rational numbers.	Click here to play the Kahoot!	May 15 th	20
Reply to the Flipgrid – either create your own or respond to one that is already posted.	Video tool to share your thinking on a provided topic. This week it is proportions.	Click here to reply to the Flipgrid Click here to watch a how to video	May 15 th	5
