

B. Burns Scope and Sequence

Week of June 8th through June 12th

Math Content Explored: Probability of Single Step Events

Math Content Reviewed: All content covered since April 27th

There is a weekly live meeting every Monday at 11:30 am. In this meeting we go over all that is due for the week and answer any questions. It is also a good time to connect with teacher and classmates.

The table below contains all the math work that can be or needs to be completed by the end of the week. There are 4 main assignments for the week of 6/8 – 6/12. The rest of the assignments are available for make up or retake. You only have to do them if you are not satisfied with your grade in PowerSchool.
